**LOCAL NOTICE TO MARINERS**  
**POOLE HARBOUR**

No. 16/2017

2<sup>nd</sup> June 2017

**Port of Poole South Quay Development**

Mariners are advised the Dredger 'Sif R' will be working in the Main Shipping Channels and South Quay development area in Poole Harbour from 03/06/2017 for approximately 12 days. She will show lights and shapes as required by the INTERNATIONAL REGULATIONS FOR PREVENTING COLLISIONS AT SEA, 1972 (as amended), and keep a listening watch on VHF channel 14.

Mariners are required to keep clear of the Dredger and the area just south of the South Quay development due to a submerged pipe marked by a yellow lit buoy (see chart). When transiting this area proceed with extreme caution, at slow speed and keeping a sharp lookout.

For more information please contact Poole Harbour Control on VHF channel 14.

This notice will self-cancel on 1<sup>st</sup> July 2017.

**Mariners are reminded that Radar, AIS, CCTV, telephone and VHF channels are recorded.**
