LOCAL NOTICE TO MARINERS
POOLE HARBOUR

No. 42/2012

25th September 2012

COMMERCIAL DIVING AUTHORISATION

Following an audit of Poole Harbour Commissioners Safety Management System, and in order to standardise Authorisation forms, it has become necessary to re-issue the Commercial Diving Authorisation form in a different format.

Please destroy all previous forms, and use the latest form for all commercial diving operations anywhere within the Poole Harbour Commissioners area of jurisdiction.

A completed **Commercial Diving Authorisation Request** form must be received by Poole Harbour Control prior to diving commencing. The request will be approved, or not, and returned to the sender by the same medium it was received.

Attached is the latest version (4.0) of the form.

An editable electronic version of this form is also available to download [here](#) when viewing this Local Notice To Mariners from our website.

Mariners are reminded that Radar, AIS, CCTV, telephone and VHF channels are recorded.

A handwritten signature in blue ink, appearing to read 'B P Murphy', is written over a set of horizontal lines. The signature is enclosed within a hand-drawn oval shape.

Captain B P Murphy
Harbour Master
