

PILOT & ASSISTANT HARBOUR MASTER

Poole Harbour Commissioners

We are looking for a suitably qualified and enthusiastic individual for the role of Pilot and Assistant Harbour Master. Day to day duties will include pilotage and leading a small marine services team. You will be expected to make a key contribution to the provision of quality marine and port services to our customers. You will also take on the role of Safety Management System (SMS) Manager.

In addition to performing a variety of marine related tasks you will receive training to become competent in undertaking pilotage within the Poole Harbour Commissioners pilotage district.

The job will require a flexible and committed approach.

Position Requirements

- STCW Class 1 CoC or Class II with command endorsement
- Recent command or pilot experience
- ENG1 Medical
- Speak and write English clearly and fluently
- Computer literate
- You must be eligible to work in the UK

Poole Harbour Commissioners are offering a competitive salary which includes a contributory pension scheme.

Closing date for applications is the 31st July 2017
